

I am writing to request that you not eliminate FM translator service by allowing the LPFM service to take priority. My family listens to KLOVE and enjoy it's positive message and commercial free, uplifting music. KLOVE serves a great purpose of encouragement to people who are fortunate enough to have access to it. I believe that it is in the public interest to keep KLOVE on the air because of all the testimonies I hear of people that it ministers to and because it provides clean, positive music for families to listen to. Please do not take KLOVE off the air. Thanks for your attention to this matter. Lori Frazier
